

PREPARE FOR FIRST GRADE

Read a little bit each day.
Remember raz-kids.com is available to you!

- Write tricky words on index cards and practice reading and spelling them.
- Talk about and describe things around you.
- Ask your child questions and have them respond with a "because" in their answer.
- Play dice games (reading/knowing the dot value on the dice and one to one counting spaces on a game board).
- Use your MobyMax account from kindergarten to practice "Math" and "Fact Fluency".
- I will post all account login information on Seesaw if you've misplaced it!

SEESAW

What is Seesaw?

Seesaw is a digital portfolio that allows you to see your student's work, comment on it, receive photos and information from me and allows us to message back and forth. You are only able to see your own student's work to protect student privacy! I will also post homework and newsletters in Seesaw for you to view.

HOW DO I GET SEESAW?

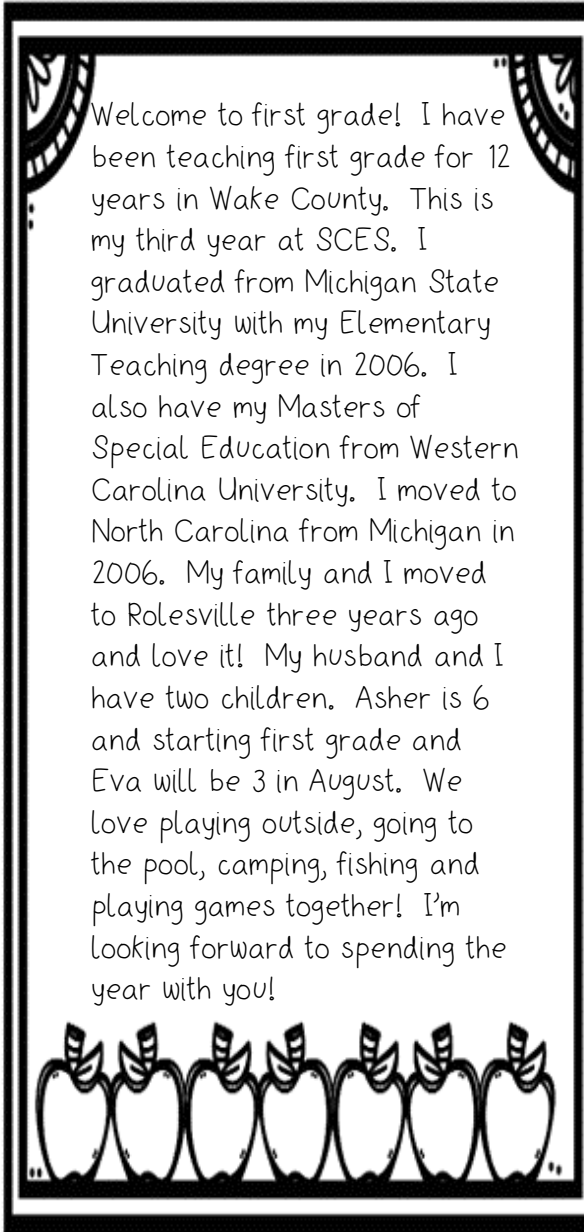

I highly recommend you download the free app!! Set up your seesaw account by navigating to: <https://web.seesaw.me/> Use the student code included in your packet here to access your student's personal account and a welcome from me!

ALL ABOUT

MRS. NANCE

Welcome to first grade! I have been teaching first grade for 12 years in Wake County. This is my third year at SCES. I graduated from Michigan State University with my Elementary Teaching degree in 2006. I also have my Masters of Special Education from Western Carolina University. I moved to North Carolina from Michigan in 2006. My family and I moved to Rolesville three years ago and love it! My husband and I have two children. Asher is 6 and starting first grade and Eva will be 3 in August. We love playing outside, going to the pool, camping, fishing and playing games together! I'm looking forward to spending the year with you!

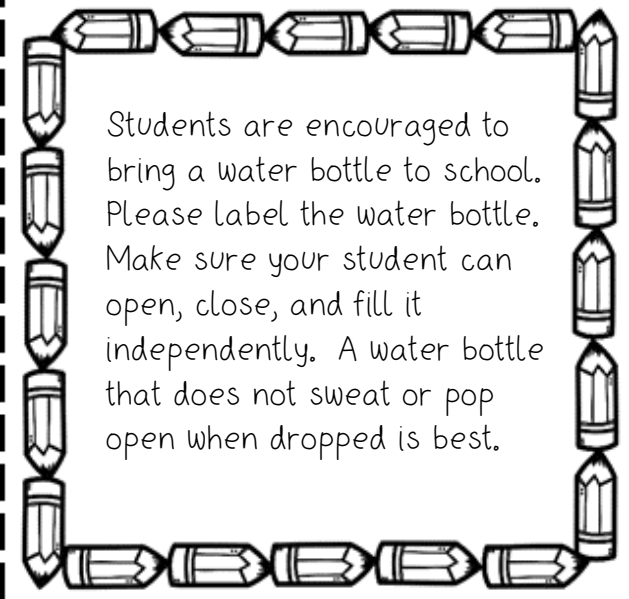

SNACK

We will have snack time each day. Please send a healthy snack from home. Please no juice or drinks other than water. If you are able to donate individually packaged snacks for when a student forgets, we would greatly appreciate it!

WATER BOTTLES

Students are encouraged to bring a water bottle to school. Please label the water bottle. Make sure your student can open, close, and fill it independently. A water bottle that does not sweat or pop open when dropped is best.
